

150 BREWERIES

TO VISIT DURING

#CANADA150

This year is Canada's 150th and to help you mark the occasion we've put together a list of 150 breweries to visit in 2017.

To whittle down the more than 700 breweries in Canada, the Prostly team and our community of beer enthusiasts shared some of their favourite spots from coast to coast to coast, factoring in population and geography to bring us to the final list.

This is only a small taste of Canada's incredible craft beer scene. We'll be featuring some of Canada's best beers, bars and breweries throughout 2017 so if your favourite is missing, let us know. And if you make it to all 150, we definitely want to hear from you. Prost!
